From the Registrar of Co-operative Societies,
Rc.1512/49 X-1 dated 7-2-1949.

O R D E R:

In the circumstances reported, the Government agree as a temporary measure, that the issue of licences for tapping sweet toddy in the districts of Tirunelveli, Ramnad and West Godavari need not be withheld for want of entry therein of the survey numbers of the fields in which the trees are to be licensed for tapping. But the boundaries of the land, name of the tope owner or other particulars of identification available, according to local custom and usage, should be noted in them. This permission is also subject to the condition that the survey numbers should be entered in the licences issued, within a period of three weeks from the date of their issue. The Government also permit the tapping of sweet juice in the three districts mentioned above by the ex-tappers and tope owners, subject to their obtaining licences within a period of one month, on production of proof of their membership in the jaggery manufacturing Co-operative Societies registered for them in the respective villages.

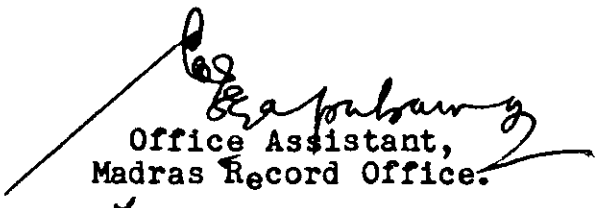

2. The action of the Registrar of Co-operative Societies in having taken steps to give effect to the proposals contained in paragraph 1 above in anticipation of the approval of Government is approved.
